

Amendments to the Drawings

In Figure 6H, the reference number "5410" is being replaced with --610--. An annotated marked-up sheet of the drawing page is enclosed, with the amendments shown in red ink. A separate replacement sheet is also enclosed. It is noted that the drawings sheets are provided in fulfillment of the requirements under MPEP § 608.02(p).

Remarks

A complete set of Formal drawings is being filed concurrently with the filing of this amendment. Due to the detailed nature of the drawings, some of the drawings (as filed) were divided into multiple sheets to comply with the formal drawing requirements. Note that any added sheets are labeled as "New Sheets" on the formal drawings. Accordingly, the "Brief Description of the Figures" section of the specification has been amended herein so as to be consistent with the formal drawings. Additionally, FIG. 6H was amended to correct a reference number. None of the amendments add new matter or change the scope of the claims. Accordingly, Applicants respectfully request that this Amendment be entered.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
